

VIP CAMPS 2022 WISH LIST

This year, we really want to upgrade our play areas to focus more on imaginative and dramatic play, as well as making some changes and updating our group rooms. This is wish list, and we understand we may not receive all (or any) of the items on the list, but we've found that often, people have these things sitting in their basements and garages and are more than happy to see us get use of them. We will continuously update this list online on the VIP Camp page as items come in.
